

# A MESSAGE FROM MR THY, NGET SOTHY, DIRECTOR, CHUMKRIEL LANGUAGE SCHOOL:

---

I would like to thank all our supporters who have made Chumkriel kids and community life happy in so many ways. I really do appreciate your continued support to help the poor kids and communities. Thank you so much for your ongoing generosity.

- There are 800 students we are providing education for at Chumkriel and Angprey school.

- We have built 16 new houses for people who were homeless. Previously they stayed with their parents in a small house with more than 8 members. These families have 2 or 3 children that need to go to school. The families can only afford daily meals. They cannot afford to build a house and education for their children.

- 130 students received uniforms, shoes and stationary. They have enough uniforms so that they don't need to wash their uniforms daily.
- CLS has built a very strong garden that is suited to wet and hot weather. The area around the soup kitchen is built to protect it from rain and the wind.
- We have made two shelters for students to keep their bags. Their bags are safe and tidy.
- During the year CLS fixed 6 houses for the families. Because work is not ongoing, they struggle to afford food, housing and education.
- We built 4 toilets for 4 families. They are very happy because they can look after their health and hygiene.

## MAKING A DIFFERENCE

Phalla is an English teacher at Sovann Phumi school. She has also passed an interview to become an English Teacher at Angprey school. She has studied very hard since she was a student at CLS. " When I was young I would like to become a teacher so now I can do it because I am hard studying and I like reading", She says. Here more from Phalla.

## SEND A BEAUTIFUL CHRISTMAS ECARD TO YOUR FRIENDS WHEN YOU BUY THE GIFT OF EDUCATION

As you know CLS relies entirely on donations. This Christmas, if you are able to spare a donation to us, large or small, one-off or ongoing, we would be very grateful.

All donations received before 25 December will receive a beautiful Christmas e-card that you can forward to a friend to let them know you've bought them the gift of education for a child in Cambodia. The e-card will be emailed with your receipt.

Some examples of what your gift could provide to CLS:

#### **Individual donations**

**USD\$50** (approx. AUD\$70) can buy a bike so a child can get to school

**USD\$40** (approx. AUD\$55) can buy a uniform and school supplies for a child for a year

**USD\$90** (approx. AUD\$125) can pay for a year's lessons for a student at our Learning Centre

#### **Regular donations**

**USD\$15 a month** (approx. AUD\$20) can buy fruit for the students after they have lunch so they can keep for a snack when the class starts in the afternoon.

**USD\$50 a month** (approx. AUD\$70) a month could provide English lessons to 30 children

**USD\$175 a month** (approx. AUD\$240) could pay the salary for a teacher or librarian to teach 80 students every day.

**Every donation – large or small – makes a difference and is spent entirely on helping our children and their families.**

**Donate here** through Chumkriel Supporters.

**Orkun! Thank you!**
